Cookies on This Site

A "cookie" is a small data file transferred to your computer's hard drive that allows a Web site to respond to you as an individual, gathering and remembering information about your preferences in order to tailor its operation to your needs, likes, and dislikes. Cookies also enable an Internet retailer like Envisionary Life to keep track of a consumer's electronic "shopping cart" before completing a purchase. Overall, cookies are safe, as they only identify your computer to customize your Web experience. Accepting a cookie does not provide us access to your computer or any Personally Identifiable Information about you, other than the information you choose to share. Other servers cannot read them, nor can they be used to deliver a virus.

Most browsers automatically accept cookies, but you can usually adjust yours (i.e. Microsoft Internet Explorer, Firefox, Safari, or Google Chrome) to notify you of cookie placement requests, refuse certain cookies, or decline cookies completely. If you turn off cookies completely, there may be some features of the Site that will not be available to you, and some Web pages may not display properly.

To support the personalized features of our Site (such as your country and language codes, electronic shopping cart, and other ordering and browsing functions) we must send a cookie to your computer's hard drive and/or use cookie-based authentication to identify you as a registered Site user. We do not, however, use so-called "surveillance" cookies that track your activity elsewhere on the Web.

Third-Party

Envisionary Life.com does not share your personal information with any outside companies or vendors EXCEPT those that are directly related to your Envisionary Life business. Any nonaffiliated companies that act on our behalf and receive personal information from us are contractually obligated to keep the information we provide to them confidential.

Links to third-party Web sites may be provided solely for your information and convenience, or to provide additional shopping for various other goods and services through our Merchant and Services Partners. If you use these links, you will leave our Site. This Privacy Policy does not cover the information practices of those Web sites

linked to our Site, nor do we control their content or privacy policies. We suggest that you carefully review the privacy policies of each site you visit.

Notification of Changes

Any updates or changes to the terms of this Privacy Policy will be posted here on our Site and the date of the newest version posted below. Please check back frequently, especially before you submit any Personally Identifiable Information at our Site, to see if this Privacy Policy has changed. If any changes materially affect the use of Personally Identifiable Information previously provided to us, we will obtain your consent prior to the retroactive application of any material changes. By using our Site, you acknowledge acceptance of this Privacy Policy in effect at the time of use.

Legal Disclaimer
